

2011 NTCET Results – Merits

Students can gain a Subject Merit in a Stage 2 Board-accredited subject, if they meet the following two criteria:

1. gain an overall subject grade of A+ for that subject, and
2. be selected by a panel, appointed by the SACE Board, as demonstrating exceptional achievement in the subject. (Typically, fewer than 2% of the subject cohort would meet this criterion).

Subject Merits will be reported on the student's *NTCET Record of Achievement* as 'A+ with Merit'.
